

# Dream Ticket Holiday

Your task is to write a plan of a dream holiday to a destination of your choice. Your work must include details about how you will get there, what it will be like, what you will do while you are there and what the impacts of tourism are in your chosen destination /region.

Your chosen destination or region can be anywhere in the world, but must not be in the UK. It can be a place you have visited, or one which you would like to go to in the future. If you want to choose a particular country then choose a place / area within that country eg Florida, USA not just 'America'

Your plan must include:-

- Location map of the place to be visited, showing the particular region / area that you are going to
- A Climate Graph to show the weather throughout the year. You should include a description of what the weather is like and why.
- Travel plans - how you are going to get there, with some suggestions on transport / costs etc
- Clothes / Equipment needed
- Description of the place - what it is like
- A minimum of 7 days worth of exciting and different activities that you can do while you are there
- Information on why tourists like to go to your chosen place, and information on the benefits and problems of tourists visiting your destination

You can get the information from books, holiday brochures, magazines, tourist guides etc but must be written in your own words, and not just copied out.

Your work should be put in to relevant sections / chapters to allow it to be easy to use and follow. You may also include any additional information that you feel may enhance your work further.
