

Year 9 Assessment - Favela Development in Brazil?

Area within favela (see map A)	Characteristics	% of houses with		% unemployed	Life expectancy	Infant mortality	Adult literacy	% below poverty line
		access to safe water	legal access to electricity					
A Established 30 yrs +	Many charities active. Schools, clinics and community centres set up.	70	70	14	55 (m) 62 (f)	60/1000	80%	14%
B Developed 1985+	Occasional severe flooding. Current crime wave linked to drug problems.	40	20	20	49 (m) 54 (f)	100/1000	50%	35%
C Developed 2000+	New migrants, homes are very basic. Serious land-slide problems.	10	4	35	42 (m) 45 (f)	150/1000	50%	52%

1. Explain how the year of development affects the quality of life for the people.
2. What are the problems that the favelas bring to a city?
 - **Social** (to do with people)
 - **Economic** (to do with money)
 - **Environmental**

Year 9 Assessment - How Can We Improve Brazil's Favelas?

Improvements in the 1st year	Cost	Reason
Improvements in the 2nd year	Cost	Reason
Improvements in the future	Cost	Reason

Year 9 Assessment Write Up

How Can We Improve Brazil's Favelas?

Write up your ideas to the question using these notes to structure your report:

- ✓ Have an introduction to explain what you will be writing. (Definition of favela/shanty town - location)
- ✓ Outline the **social** (people), **economic** (money) and **environmental** problems within the favelas.
- ✓ Information on the benefits of favelas.
- ✓ Outline possible solutions in detail- how will they improve their quality of life? Explain the positive and negative points about the possible solutions.
- ✓ Include your action plan for the favela improvements (costing and justifications).
- ✓ Add any additional ideas/opinions/diagrams or creativity to the assessment.
