

Guidelines For Peer Assessment Grids

Presentation	A. Content - appropriate length and level of detail
	B. Organisation - good opening statement, outline, introduction, motivation, discussion, and conclusion
	C. Language and Voice - appropriate choice of words for audience, proper use of jargon, minimal umms and aahs, not too slow/fast
	D. Physical Behaviour - good eye contact and appropriate physical gestures, showing confidence not nerves
	E. Group Co-operation - team effort in preparing presentation, presented as a team, No gaps between sections
PowerPoint	F. Content - appropriate length and level of detail
	G. Pictures/Figures - suitable pictures/graphs/figures used
	H. The Look - did it look good, was it easy to read

- Use these ideas to help you mark each letter out of 5 on your grids.
- Make sure you give an honest mark. Remember everyone will be doing the same for you!
