

## Y8 KENYA ASSESSMENT - EYE ON THE WORLD MAGAZINE ARTICLE

Task: You work in Cambridge for 'Eye on The World' magazine and have been sent to Kenya to write an article to go into a forthcoming issue. You have been asked to produce an article to compare two contrasting lifestyles in Kenya, the Maasai and Kikuyu people.

Your article must include the following pieces of information about both groups of people:-

- How similar or different the two groups are.
- The influence of physical factors like climate, soil, and landscape on the people and their environment.
- How life compares for the 2 groups of people, including the opportunities that each group has.
- What the future for each group is.

The assessment will be marked with an ATL grade and a National Curriculum level. You will also receive written feedback that will help you to make your work even better in the future.
